THE FRANCIS ROAD span over the route for FAI-80 is nearing completion. Robert Madden of Thomas Madded Co., Chicago, contractor for the job, said the overpass should be ready for use in two weeks. He said that last Friday so if the progress continues at the rate it has been going the road should be ready next week end, which would be a nice Christmas present for area residents who have been unable to use the road for many months.

Boy Scout Leader Of Mokena Dies Suddenly

Paul C. (Skip) Smith, 56, died Saturday, Dec. 11 of an apparent heart attack at his home on Kohlwood drive, Mokena. He was born Aug. 6, 1909 at St. Elmo, Ill.

Mr. Smith had been employed more than 30 years by Commonwealth Edison in Harvey. He lived in Blue Island 20 years before moving to Mokena three years ago.

During his 40 year association with the Boy Scouts, Mr. Smith had introduced thousands of boys to Scouting and had organized one of the first Cub packs in the United States. He was Scoutmaster of Troop 240 in Mokena. He held the rank of Eagle Scout and had the Order of the Arrow, Scouters Key and the Scouter's award.

He was vice president of the Mokena Lions Club and a member of St. John's United Church of Christ, Mokena.

As a member of the Seabees during World War II, Mr. Smith was wounded in action at the Marshall Islands and received the Purple Heart.

Survivors include his widow, the former Corinne Christensen; one daughter, Susie and one grandchild.

Services were held Tuesday, Dec. 14 from the Baskevill Chapel in New Lenox to St. John's United Church

Sponsors Yule Lights Contest

The annual Mokena Christmas home decorating contest will be judged Tuesday, Dec. 21, beginning at 7 p.m. This contest is sponsored by the Chamber of Commerce, Tony Dina, chairman. The judges will be Sheriff Joseph Trizna and his chief deputy, Frank Skul.

Marine Votes On L-W Bonds From Vietnam

One of the absentee ballots cast in the Lincoln-Way high school bond election Saturday has come a long way.

It was cast by 1st Lt. Henry P. Barnett, who is among the U.S. Marines in Vietnam. He sent the ballot air mail and it reached the school office Dec. 8 after a little over three days of traveling.

The ballot will be delivered to the election judges at Mokena and dropped in the box there for counting.

Eagle Scouts who served under Mr. Smith acted as pallbearers.

A memorial fund is being established at the Mokena Public Library in Mr. Smith's name to provide books for boys. Donations are also being accepted for the memorial fund at St. John's church.

Loses Race To Stork But Everything's OK

Theodore Mierzejewski, 30, of 8931 Fairway drive, Orland Park, is a truck driver and his skill developed as such stands him in good stead when he is behind the wheel of his own car but despite his ability he finished second in a race with the stork.

The Mierzejewskis had had six children so when Mary, 27, told her husband she believed it time to go to the hospital he wasted no time in asking questions. This was 4 o'clock in the afternoon.

"I went north on (U.S.) 45 to 55, "the husband related, "and then on to the Dan Ryan. I was looking for a police car to run interference but

mas concert Sunday afternoon, Dec. 19, at 3 o'clock in the school auditorium.

There will be no admission charge and everyone is welcome, according to those in charge.

The chorus, under the direction of Tom Olson, will include, "Do You Hear What I Hear," "O Bambino," and "Carol of the Drum."

The chorus also will sing, "Glory to God," from "The Messiah," and traditional Christmas carols.

The band, under the direction of Robert Taylor, will play "Noel Francais," "Continental Christmas," and the overture to "The Messiah."

Band and chorus also will combine to perform the Christmas Story, narrated by Randolph Kummer. The musicians also will combine on "Joy to the World," and the "Hallelujah Chorus."

L-W Voters To Ballot On Building Bonds Saturday

Saturday, Dec. 18, is election day in the Lincoln-Way high school district. A referendum is to be held there on a \$485,000 bond issue.

There are six polling places:

Haven grade school at New Lenox for the voters of that township.

Manhattan grade school for voters in that part of the district.

Frankfort grade school for those in Frankfort.

Anne Rutledge school for Lincoln Estates.

Arbury Hills school for Arbury Hills.

Mokena school for residents of that area.

The polls will open at 12 noon and close at 7 p.m.

According to the plans, the proposed addition to Lincoln-Way high will include 12 English and history classrooms, one special education, one remedial reading laboratory, expansion of the vocational agriculture department, and two new shops for the industrial arts program.

After these new classrooms are completed, three of the original rooms will be annexed to the art, home economics and agriculture departments.

Plans also call for an additional well to provide for any emergency and to insure an adequate supply as additional volume is used. In 1954, when the school had its beginning water consumption was 2 1/2-million gallons; it has now increased to 4-million.

Likewise, the enlargement of the school's private sewage treatment system is included in the present plans. The State Sanitary Water Board has notified the L-W board to increase the system's capacity before further expansion of the school. According to a letter from

C. W. Klassen, technical secretary of the State Water Board, the present sewage treatment system was designed for a flow of 11,200 gallons a day and it now has an average flow of 25,000 gallons.

"We will require that when the plant is expanded," the letter from the state agency says, "facilities be installed to provide (1) for the disinfection of the plant effluent from May 1 to Oct. 31 unless weather conditions deem it necessary to extend this period, and (2) tertiary treatment of the plant effluent. A lagoon designed on the basis of 0.7 pounds of B.O.D. per 1,000 square feet of surface would be considered as acceptable tertiary facilities."

Broken down the tentative costs estimate on the proposed addition is as follows:

Construction cost, academic unit -- 20,500 sq. ft. at \$15.00 \$317,750
Ind. Arts and Vo. Ag -- 5,530 sq. ft. @ \$11.50 63,595

Fixed and movable equipment (case work, shop machines, furniture), 40,000.

Site development, grading, walks, etc., 5,000.

Sewage system, 25,000.

Well, 5,000.

Total, \$456,345.

Architectural fees, 5%, 27,380.

Contingencies, 1,275.

Total \$485,000.

"Population growth of the district makes it necessary to increase the school facilities," said Mrs. Beatrice Link, president of the Lincoln-Way high school board.

"The board members saw no other solution to the problem but to call a referendum with the hope that with its success we can proceed immediately, hoping some of the rooms might be completed by next September.

"The present building is now being used to almost 100% capacity while the school day has been lengthened one additional period. Present enrollment is 1,133 with an increase of 102 scheduled for next year. Available enrollment projections indicate a continued annual increase for many years to come."

The proposed bond issue of \$485,000 would increase the school's tax rate 5 cents, amounting to \$5 annually for the average home owner, based on a \$10,000 assessed valuation on his home, a board spokesman stated.

The L-W district tax rate was \$1.686 in 1963 and \$1.655 last year. This drop in rate was made possible by the increase in the district's assessed valuation, it was explained. The district now has an assessed valuation of \$57,566,094.

Establish Age For So. Sec. Claim

The Social Security Administration has changed its rules about proof of age for people applying for benefits. Based on detailed studies it has found that about one out of 10 people do not have the correct age. It also found that of these people who do not know their age, a larger number of them are older than they think they are. In other words some people who think they were born in 1900 are proven to be born in 1898 or 1899. This frequently results in payment of higher benefits than would be payable if the age first given was accepted.

The new policy for proof of age has been in effect since Nov. 22. When a person applies for benefits, he is being asked to get the proof of age established nearest his birth date. Usually this will be either a birth certificate issued at the time of birth or an infant baptismal certificate. A statement from the county clerk and the church showing that there is no record will usually be required if no such record exists. The next best records will then be explored. These are usually school or census records. There are other proofs established at an early age, such as vaccination records.

People who find that there is no birth or baptismal record can call at the social security district office for form letters for obtaining school and census records.

Harold Whiteside, manager of the Joliet district office of the Social Security Administration, says that three things should be early understood about the new rules. The first is that delayed birth records established in Illinois before 1949 may not be satisfactory. The second one is that there is no need to get a delayed birth certificate now. And the third thing to be understood is that no one is going to be refused benefits after the best proofs available show that he is eligible for benefits.

Christmas, Santa and Fireplaces

BY JOHN W. ALLEN
So. Ill. University
Christmas has changed and fireplaces around which so much of its legend centers have almost disappeared. The snap, whir or buzzing heard at intervals in many homes generally is made by an automatically controlled heating plant in response to a fall of two or three degrees in room temperature. This is a far cry from the pioneer type woodburning fireplace that some oldsters have known.

Only at very rare intervals does one now find a fireplace. Then it most likely is one with a pottery gas log that is seldom or never lighted and is definitely for ornament and not utility. All this is to say that the legendary home hearth where wood was the fuel and around which the social life of the home centered has gone to join vanished Americana. Some fear that the social life that once centered about those same fireplaces is fading away also. We sincerely hope, for one thing, that the lore of Christmas that centered about the hearth and its cherry fire is spared.

Many an oldster's remaining childhood recollection of Christmas are those that were etched in memory by the ruddy light of a fireplace. It was down the spacious chimneys of such fireplaces that Saint Nicholas, Pere Noel, Father Christmas, Olaf, Knes Rutrecht, Kris Kringle, Santa Claus or some other kindly and cherry old gentleman came to bring Christmas cheer.

Memories of those return, filled with nostalgic recollections of their cheerfully blazing fires, long ago friends, old songs, stories, simple but cherished gifts, and fleeting images of faces, all against a background of lights and shadows cast by the hearth's flickering flames.

Both Christmas and St. Nicholas were old, even then. Measured by either time or miles both had come a long journey thru many countries to blend at the hearths of a million homes. The legend of St. Nicholas begins when a son was born to a prosperous merchant living at Tacora in Lycia, Asia Minor, in A.D. 270. This child grew up to become a devout youth and a most kindly man well known for his generous-

ity and ever helpful services to the needy and deserving unfortunates.

Nicholas became well known for his steady and marked devotion to the church. His fame spread. When a new bishop of Myra was needed, Nicholas, despite his youth and limited experience, was chosen. Though he had not sought the position and felt himself both too young and incompetent he accepted the post and began a notable service.

His life was not one of ease. Disliked by Emperor Diocletian he was imprisoned along with sailors, pirates, robbers, killers and assorted other criminals. He immediately won their respect and was chosen their patron saint. He loved and bestowed affection upon unfortunate children and became known as their special protector. Merchants looked to him as their patron saint. In fact, Nicholas seems to have been universally popular when he died on December 6, 343. He was proclaimed a saint, and the day of his death became St. Nicholas Day, one on which to do kindnesses, to bestow favors, and to generally emulate the goodness of the Saint.

The name of Nicholas became a widely used one over the known world, particularly in Greece, Holland, Germany, France and in Russia, where the name was given to many thousands of boys. (It sometimes took the diminutive form, Nikita.) Countless churches were dedicated to him, there being more than 3,000 of them before the year 1500. Popes, czars and kings took the name. In fact St. Nicholas Day had become among those most widely observed in Christendom.

It had a rival, however, also in December, the widely observed pagan festival of the winter solstice kept from Egypt to the arctic.

From the region of its practice in Europe Christmas came to America. Frowned upon by the Puritan element in New England,

it was not observed there for many years. In fact it often was legally banned. Such was not the case among the jolly Dutch, who made it a time of feasting and merriment. Its spread was promoted by Washington Irving's Knickerbocker's History of New Amsterdam, where he makes reference to it in a score of places.

Many of the Christmas practices of Europe came with the immigrants to America. Christmas trees, the first one recorded being one in the upper Rhineland in 1608, came to America and on to Illinois in the 1830's. The first one is reported as being in the home of Gov. Gustav Koerner. Another ancient custom that trailed along was the burning of the yule log.

In 1821 the Saturday Evening Post told of Christmas. In 1822 the Rev. Clement C. Moore gave the world the ever popular poem that begins with " 'Twas the night before Christmas when all through the house. . . ." In 1837 Robert W. Weir, professor of art at the West Point Military Academy, painted a picture that fixed the image of Santa as that of a rotund, smiling, kindly old gentleman, with red coat, white beard, rosy cheeks, wide belt, shiny boots, and a bag of gifts. In 1855 a London newspaper printed the first color picture for Christmas. In 1862 when the fortunes of war were at low ebb, Thomas Nast's picture of a Christmas scene appeared in Harper's Weekly. The literature, music, and art of Christmas grew.

In 1891 President Benjamin Harrison was asked how Christmas would be observed in the White House. He replied that there would be an old-fashioned Christmas, a Christmas tree and that he would play Santa to the children.

The day somehow calls forth much that is good in people. Let us hope that it is not commercialized to death and that a full measure of the spirit that belongs to the season remains attached to it.

Change Procedure In Issuance Of Building Permits

The building commissioner and building committee of the Orland Park village board have been authorized to issue building permits in established subdivisions, hereafter, without a vote by the board.

Trustee Anthony Kozak, head of the building committee, brought the subject up as a means of saving time for builders as well as the time that had been taken up at board meetings in a general discussion of such requests.

If the committee and the commissioner find all requirements are met by the person or company seeking the permit such permit can be issued.

New subdivisions, of course, must be approved by

the board and standards set up for building therein.

At Monday night's meeting permits were granted Rich Construction for two residential permits, 10006 Huntington ct., and 10268 Hickory drive; two permits to Clifford Mehling for houses at 8541 W. 144 place and 8640 144th place; two to Hilcrest Builders for homes at 14448 Brentwood, and 144th place; a permit to James A. Copeland for a garage at 8824 Fairway drive, and Andrew Corporation for a warehouse on its property.

On a motion by Kozak the board has purchased two fog nozzles (\$28 for both) a pump, at around \$150, for pumping water out of manholes, excavations and the like, and some sewer

rods. Firemen were used last Sunday to pump a man-hole near the Church of the Nazarene on 143rd st. to prevent the sewer backing up into the church.

Northern Illinois Gas and Commonwealth Edison have had their franchises renewed by the village board. They run 50 years. The power firm furnishes electricity for the village hall, the fire station and the library. The gas company furnished the village with some 4500 therms of gas a year and has also installed some gas lamps in the parking lot at the rear of the village hall.

The county zoning board is to hold two hearings at the village hall at 5:30 Monday afternoon, Dec. 20. One on a change from R-2 to R-3 on 151st st. east of 80th ave. which would reduce lot sizes from 150 to 100 foot frontages and total area from 40,000 square feet to 20,000 square feet. The other would rezone five acres from residential to commercial, to permit use of the property for dog kennels. The place is located 747 feet east of Wolf rd. on the south side of 143rd st. and has been used for kennels for many years. It was said that the owner of adjacent land has been objecting to the use put to the property by the owners, Richard and Betty Orseno.

The Orland Park bank made a gift of \$300 to the police department and it will be applied to the installation of a new radio and amplifying system in the new squad car. Total cost of the equipment is \$999 dollars. Allowed \$100 on the old radio and applying the \$300 gift will reduce the cost to the village to \$600. On a motion by Trustee Elton Oranger the board approved purchase of the radio.

For Safer DRIVING

By RONALD STOPKA

Director

Driver Education

Lincoln-Way High School

Winter driving is different and requires a change in our driving habits. First, get your car running as good as new. Make sure everything is working right: lights, windshield, washers, and wipers, defrosters, and brakes. Remember, too, to have your motor tuned up for cold weather driving. A stalled motor can cause an accident.

Before starting out for that winter drive, clear all snow and ice from windshield and windows. Put your car in the proper gear; with a stick shift, start in second gear and with an automatic shift, use "DRIVE". You get less force and less spin at the wheels. Start slowly and give the tires a chance to grip the road when it is slippery.

After you get started on slippery streets or roads, be sure to keep your distance. You need a much bigger safety cushion in winter to make an emergency stop. In winter driving it's a good idea to ease up on the gas if roads are not clear.

Driving in snow, fog or when visibility is low requires the use of low beam headlights. Illinois law prohibits the use of parking lights when the car is in motion. In order to avoid a collision, other motorists must be able to see you first.

Most skids on slippery roads are caused by oversteering. Good drivers will anticipate lane changes and turns and make them gradually. Should a skid develop, steer left if the rear end skids left; if it skids to the right, steer right.

Hold Funeral Rites For Crash Victim

Services for George W. Frazier, 40, Homer township, who was fatally injured in an automobile collision in Lemont township last Sunday morning (Dec. 12) were conducted Tuesday afternoon at 3:30 from the Schmaedeke chapel at 107th and Harlem ave., Worth, with the Rev. Paul Berger, of Orland Park Church of the Nazarene, officiating.

The body was then taken to Ripley, Tenn., where funeral services and burial are to take place today.

Mr. Frazier is the father of eight children, the youngest, Jeffrey Lynn, having been born at St. Joseph hospital, Joliet, last Saturday.

Mrs. Frazier, Gladys, was informed of her husband's death Sunday afternoon. Later she and her infant son were released and permitted to return home. The Fraziers reside on 147th st., near Creme road. They have been living there for the past nine years.

Mr. Frazier was employed at the Fisher Body plant at Willow Springs. The fatal accident occurred in the vicinity of Archer road and 95th st., near Willow Springs, about 9 a.m.

According to Cook county police who investigated the

accident Mr. Frazier's car went out of control and collided head-on with a car in which two Chicagoans were riding. They escaped with minor injuries, according to the report.

The eight children surviving are: Kenneth, 18; Linda Ann, 17; David, 15; Ronnie, 13; Judy, 6; Jerry, 5; Randy, 3, and Jeffrey who is five days old today.

Preston Takes Brook's Place

George Preston, New Lenox, a former member of the Lincoln-Way high school board, has been appointed to fill a vacancy on that body until the regular school election is held in April.

He was named by the board to take the place of James Brooks, New Lenox, resigned because of transfer from the district. Under the law the person appointed to fill such a vacancy must come from the same community as the person who held the post.

Brooks was elected in 1964. His term would have expired in April, 1967.

Preston is employed by the Caterpillar Tractor Co. at Joliet.

Collegians Will Visit L-W Dec. 22

Jonas Lashmet, director of guidance, Lincoln-Way high school, has announced that the 12th annual college visitation will be held on Wednesday Dec. 22. Former Lincoln-Way students now attending college are invited to visit with present students and faculty. The alumni will begin arriving at 9:30 a.m. and then will proceed to guidance groups. The guidance groups consist of approximately 25 students and each alumnus will be assigned to a particular group. Here an informal discussion concerning college life in general will be held.

Following the guidance period the alumni will have an opportunity to meet with various members of the faculty to discuss curriculum and the transition from high school to college. The program will conclude with lunch being served to the visitors.

Letters have been mailed to alumni. However, in the event a notice has not been received, all are invited to attend.

Long Illness Is Fatal To Mrs. Crane

Mrs. Flossie F. Crane, 68, of 127 S. Cooper st., New Lenox, died at the Broadview Nursing home in Joliet on Sunday, Dec. 12 following a lingering illness.

She was born May 16, 1897 at Odin, Ill. and had lived in New Lenox the past three and one half years.

Survived by two daughters, Ida, Mrs. Ralph Daum of New Lenox and Betty, Mrs. William McCraw, of Santa Barbara, Calif. Three sons, Henry of Zion, Ill., Coy A. of Williamsburg, Va. and Merle W. of Lubbock, Tex.; one brother, Darrell French of Beggs, Okla.; one sister, Mrs. Andrew Cox of Santa Ana, Calif. and 15 grandchildren.

Services were held at the Baskerville Chapel, New Lenox. Burial at Sandover, Ill., on Tuesday, Dec. 14.

Discuss Fluoridation Of Drinking Water

Fluoridation of drinking water is getting increased attention by area villages.

The Orland Park village board is looking into the matter, as is the board at Frankfort and Mokena. New Lenox is not concerned at this time because it has no central water system.

New Lenox Trustee Chester Bowman has been trying for more than a year to get something started on establishing a water system in New Lenox. The big question there, of course, would be whether the property owners would be willing to approve a bond issue.

General obligation bonds must be approved by the voters before they can be issued and are a lien against real estate. Revenue bonds can be issued without a referendum and are paid off thru a charge for service or material-in this case the sale of water.

Joliet's water supply is said to have a sufficient amount of natural fluoride.

It is reported that a machine that will inject the chemical into the water supply costs \$600 or \$700 and that to operate it and buy the chemicals will average about 10 cents per person per year.

Orland Lions Club Selling Xmas Trees

Choice Christmas trees are being sold again this year by the Orland Park Lions club. President of the club, School Supt. Norbert Jerling, states that the supply last year was sold out long before Christmas. The club has increased the number of trees it will sell but, he advises, it is best to buy early.

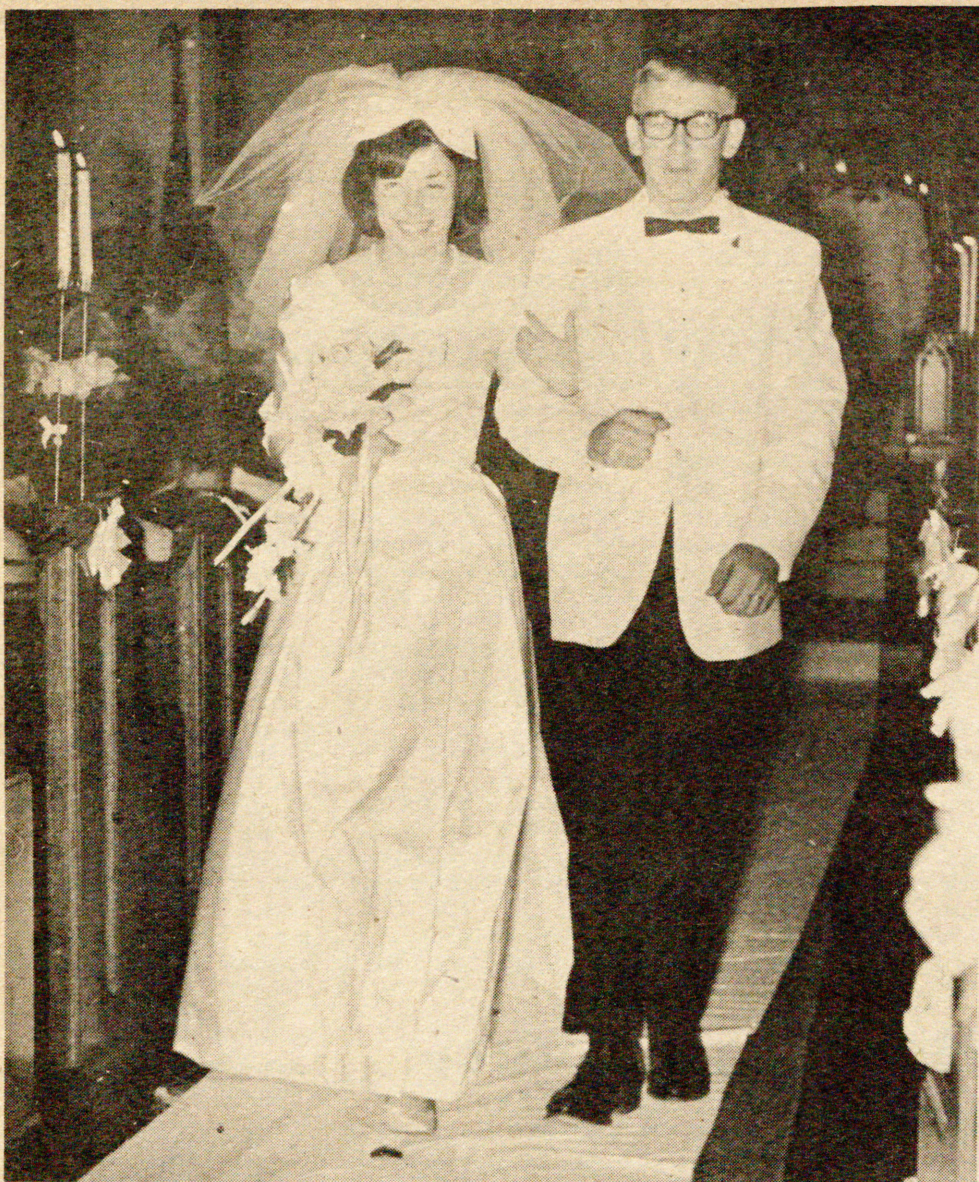

Pete Gech, chairman of this project, stated that few people realize that there is a difference in trees. "Our

club does not buy bundles of trees - some good, some not so good," he said. "Instead we buy select or choicetrees - each one tagged and wrapped separately."

Sale of the trees is taking place in the Orland Park Plaza. The profits will be used to help the community and individuals - projects such as the recent village ambulance drive to which a donation of \$300 was made by the club.

EAST APPROACH of Francis road overpass. Guard rails will line both sides because there is a substantial drop off. There will be a short space between the end of the road paving and the bridge floor that will not be blacktopped until spring. MR. AND MRS. ROYR. BETTENHAUSEN

Burgess-Bettenhausen Vows Spoken In Mokena

Miss Nancy Irene Burgess became the bride of Roy Raymond Bettenhausen at a recent ceremony, in St. John's United Church of Christ, Mokena.

Rev. Dean G. Plassmann officiated at the double ring ceremony uniting the daughter of Mr. and Mrs. Fred Burgess, 240 Whitney rd., Lake Zurich and the son of Mr. and Mrs. Milton Bettenhausen, 175th st. and Rt. 45, Tinley Park.

Twin bouquets of gladioli and carnations decorated the altar for the candlelight service, and wedding selections were sung by Tim Morsani, accompanied at the organ by Miss Linda Coke of Chicago.

The bride was escorted to the altar by her father. She wore a gown made by her mother of white slipper satin fashioned with a scooped neckline, long tapering sleeves and a floor-length bell skirt. The oval train was accented by a tailored bow outlined in seed pearls.

A matching satin bow trimmed with seed pearls released her bouffant veil of silk illusion, and her only jewelry was a single strand of pearls, a gift of the bridegroom. She carried a bouquet of white gladioli and gladioli.

Miss Linda Laidlaw, Detroit, Mich., was maid of honor, and bridesmaids were Miss Mary Langhaug, Minneapolis, Minn.; Miss Leah Nelson, Park Ridge, Miss Judy Herriman, Coffeyville, Kan.; Miss Eileen Harbers, Ashton, Iowa; Miss Jody Jackson, Tulsa, Okla., and Miss Carol Bettenhausen of Tinley Park. Flower girl was Miss Lise Hauser of Des Plaines.

The bride's attendants wore floor-length gowns of light blue slipper satin with matching bow headpieces. Their pearl necklaces were gifts of the bride and they carried gladioli tinted

blue.

Tim Morsani of Talala, Okla., was best man, and ushers were Wayne Matulis, Tinley Park; Fred Bateman, Lockport, N. Y.; Kent Cooper, Ft. Sheridan. Don Bettenhausen, and Bob Bettenhausen, both of Tinley Park; and Ron Bowerman, Ashton, Iowa. Donnie Bettenhausen, Mokena, was ringbearer.

A sit-down dinner was served at the reception in the church. Mrs. Oliver Johnson cut the four-tiered wedding cake made by the bridegroom's mother. Miss Georgla Canellos, Des Plaines; and Mrs. Gene Mslouski, Tinley Park; poured, while Miss Elaine Reckhemer presided at the guest book.

Mrs. Burgess attended her daughter's wedding wearing

a pink sheath with matching accessories and a cymbidium orchid corsage. The bridegroom's mother, donned a blue sheath with beige accessories and a corsage matching that of the bride's mother.

For her wedding trip to Niagara Falls, New York city, and Washington, D.C., the new Mrs. Bettenhausen donned an apple-green A-line skirt with a matching green over-blouse boasting white coin dots, and a matching jacket.

The couple is now residing in Tulsa, Okla., where the bridegroom is attending the University of Tulsa, majoring in electrical engineering.

Prenuptial parties were given by Mrs. Gladys Frahm, Mrs. Bernice Wenz, Mrs. Geneva Sutton, Miss Linda

Cancer Society Of Will County Makes Quarterly Report

Cancer dressings, hospital beds, wheel chairs and sick room equipment were provided for 40 patients last quarter by the Joliet office of the American Cancer Society.

During this past quarter more than 14,000 cancer dressings were prepared plus bed pads and hospital gowns. There were 30 volunteer service groups in the County aiding in preparing the dressings, bed pads and gowns.

During the quarter one patient was provided transportation for 22 trips to local hospitals for therapy hospitalizations for therapy by the ACS.

During the period starting in September, the services offered through the local of-

Coke and Miss Carol Bettenhausen.

A rehearsal dinner was given by the bridegroom's family at their home.

fice included cancer dressings and material aids and educational programs and films by professional and lay speakers. Some 2,000 in County have seen the films in 61 programs presented as part of the public education division.

"We feel the need to reach everyone, not only to help them if they need our help,

but also to educate them as well," said Louis Valade, chairman of the Will County unit of the American Cancer Society. He continued, "Despite the constant publicity there is a great need for adequate information on cancer."

Valade urged all residents of the county to avail themselves of services offered by the local unit with its headquarters at 260 Western Avenue. The telephone number is 727-4086. "A telephone call will provide cancer information or educational programs," he explained.

New Lenox Girl Wed In Methodist Church

Miss Donna Simon, 147 Central road, New Lenox, and Llowellyn Trent, 207 Grinton ave., Joliet were married Saturday morning, December 11 at 11 a.m. at the New Lenox Methodist Church. The Rev. Glenn Ames performed the double ring ceremony.

Mr. and Mrs. Dale Anderson were the attendants.

The bride was attired in a blue velveteen dress, with powder blue accessories, and wore a white orchid corsage.

A wedding dinner was held in Chicago after the ceremony, and a reception at 7:30 p.m. at the Ingalls A.C. hall.

The newlyweds will reside in Sunnynook subdivision.

Farm Agency Take Hand In Improving Views

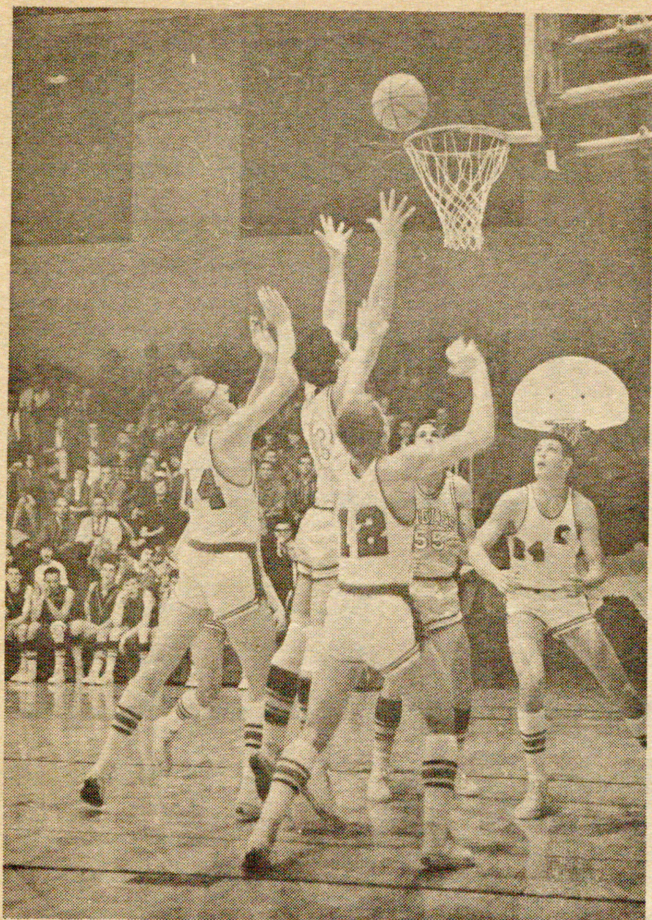

Soil Conservation District cooperators are encouraged to include provisions for roadside improvement in their conservation farm plans, according to Tom Morgan, work unit conservationist, SCS, Joliet. Elimination of roadside "eyesores" in order to blend the farmstead in with the natural setting is another goal of the private land beautification drive, he added.

Secretary of Agriculture Orville L. Freeman, has recently called upon the Soil Conservation Service to give greater emphasis toward providing technical assistance for the beautification of privately owned rural lands. Specifically, the SCS is offering help for conservation practices which add natural beauty to land, along primary and secondary

roads. The seeding of adapted plant materials which contribute to natural beauty is one recommendation. Small odd areas, field borders, marshes, pond and stream margins, and wild areas are pin points of action, it was stated.

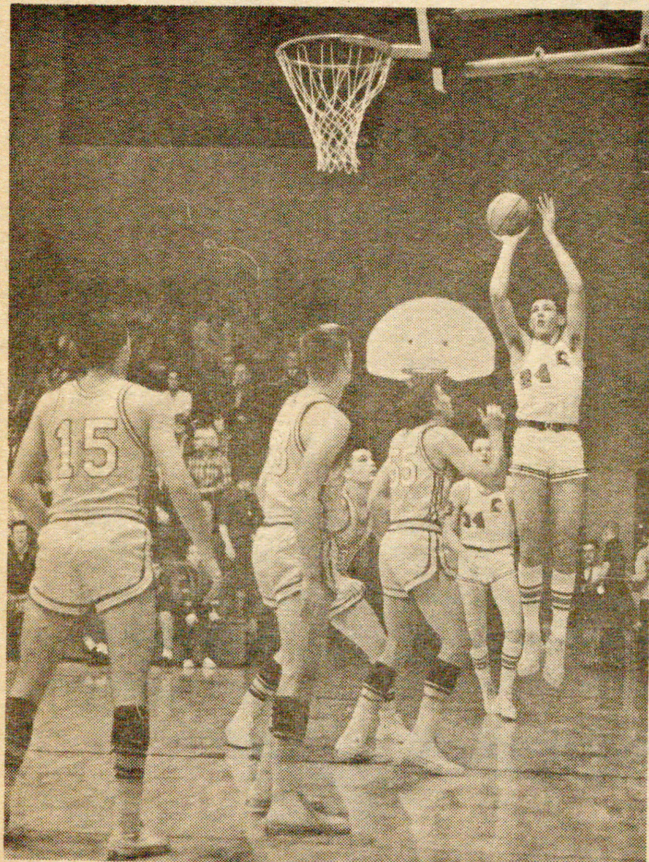

Conservation practices following the natural contour of the land or covering the scars of past erosion with blankets of green have long been recognized as beautiful as well as practical, it was pointed out. Good conservation also means better-looking streams and rivers, Morgan said.

Lester Binne, state conservationist, says that a drive thru the countryside is an almost universal leisure activity for most American families.

L-W Defeats Sandburg, Tilden Tech.

BY TOM SCARTH

The Lincoln-Way Knights came up with a double victory last week-end, beating Carl Sandburg 61 to 60 and Tilden Tech of Chicago 72 to 62. The Knights evened their seasonal record at 3-3.

In the first half of the Sandburg game the scoring was kept at a consistent pace. The Knights outscored the Eagles in the first period 15 to 11, making and retained a half-time lead of 27 to 23.

The third period saw the Eagles outscore the Knights 21 to 16 and move ahead by one point going into the final stanza 44 to 43.

The fourth period was much like the other three, see-saw and unpredictable. The Eagles even had a five point lead at one time, but the Knights cut the deficit and eventually took the lead, 49 to 48 with five minutes left. Then the lead changed hands again several times.

Tom Tilsey, playing for Karl Warning who exited the game in the third period by way of personal fouls, dropped in two charity shots to move the Knights ahead for the final time 57-56 with about 1:30 remaining.

In the remaining time each team scored two baskets making the final score 61 to 60.

Mike Seitzinger, 6' 4" forward, was high scorer for the Knights with 15 points while Drew Corley paced the Eagles with 15 points also.

The Knights all-conference playmaker, Bill Stanfill, who has just returned to the team, made a magnificent showing both Friday and Saturday. Bill scored

nine points against Sandburg and 17 against Tilden. He also set up many vital plays in the games and his contribution to team morale definitely showed thru.

One of the Knights best games of the season thus far came last Saturday night against Tilden. The squad shot 57 times connecting with 26. The Knights took advantage of their charity shots, hitting 20 out of 23 for 86%.

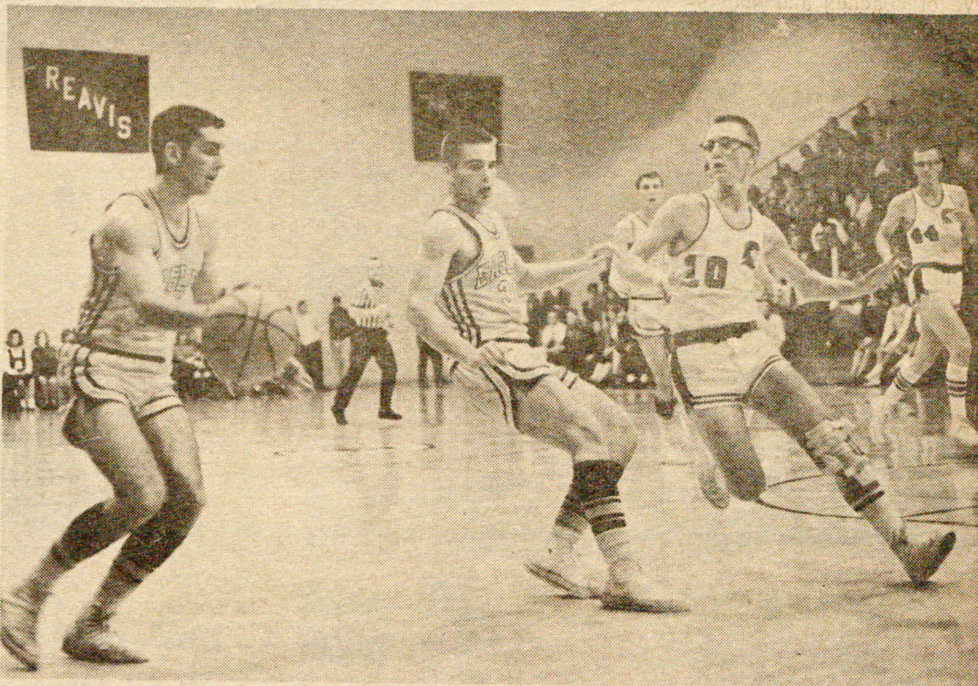

The Knight's Carl Warning earned his sharpshooter medal shooting 90% (10-9) from the field and 100% (5-5) on free throws earning 23 points and pacing the Knights on to victory.

Tilden Tech was at a disadvantage playing a game against Farragut high in the

afternoon and the Knights in the evening. They also lost against Farragut 72 to 64.

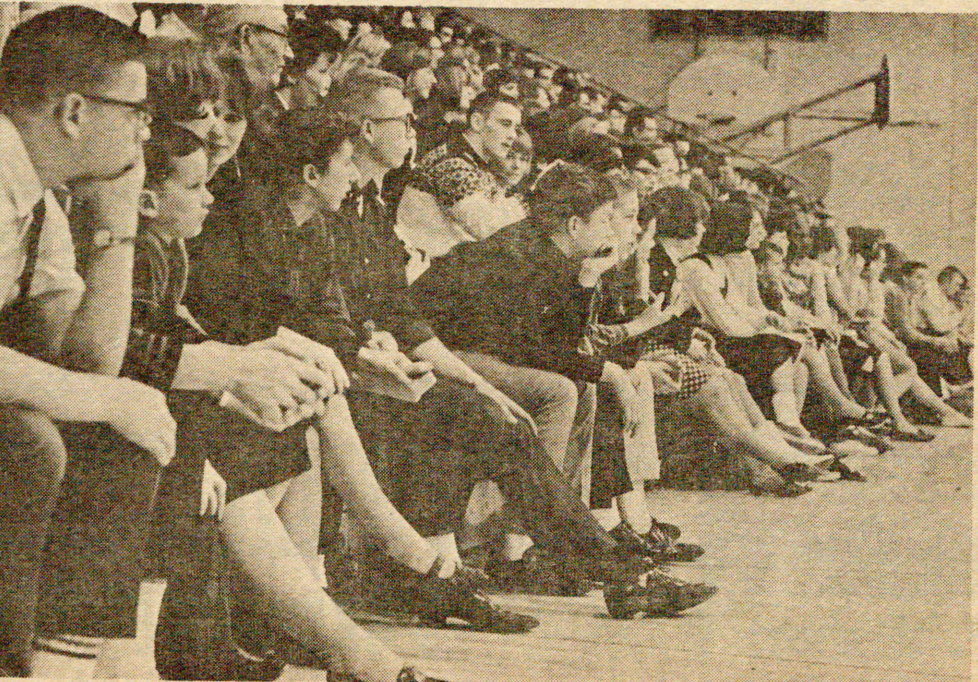

The Sophomore Knights rolled over Sandburg 53 to 37 and smashed Tilden 70 to 16.

Tomorrow evening the Knights will entertain the Rams of Reavis. The frosh game will begin at 6:30 and the varsity at 8:00.

COMING UP FAST is Bill Stanfill, No. 10, Lincoln-Way's veteran playmaker who had to sit out the opening games this season. The Sandburg man with the ball is Miller and in front of him, No. 31, is Blumm, No. 44 is Carl Warning.

Dear friends,

One thing a family should not expect the funeral director to do is to suggest the cost of the funeral to be selected. His advice may be invited, but the decision rests with the family. The financial aspects must of necessity be candidly discussed, to avoid hardship and to have complete understanding by all concerned.

Eagles To Play 1st Rockford Tournament Game On Dec. 28

The Sandburg high school varsity basketball team is entered in the holiday tournament to be held Dec. 27 thru Dec. 30 at Boylan high school, Rockford.

In the tourney there last year Van Broman, a fine Sandburg guard, caught the eye of coaches and sports-writers and received all-tournament honorable mention. He is a fine ball-handler and shooter. He will be back again this year.

Sandburg's first game is scheduled for 3:30 p.m. Tuesday, Dec. 28. The Eagles are matched against Carver of Chicago.

There are 16 teams entered, representing a total student body of 24,084, or an average per school of 1,505. Sandburg's enrollment is listed as 1,850.

The smallest school is Peoria Spalding, 700 and the largest is Harlan with 2,600.

Schools entered are:

Antioch, Auburn (Rockford), Aurora East, Boylan, Carpentersville - Dundee, Carber, Dixon and Guilford (Rockford).

Also, Harlan, Harlem, Mundelein, Carl Sandburg, Peoria Manual, Peoria Spalding, Willowbrook and Woodstock.

Aurora East and Harlem meet in Game 10, and the winner of that game will play the winner of the Sandburg-Carver contest in Game 16 at 8:30 p.m. Dec. 29. The losers of Game 8 and Game 10 meet in Game 12 at 11 a.m. Dec. 29.

Orland Junior High Teams Show Promise

The basketball teams at the Orland Park junior high show promise to be among the outstanding junior high teams in the area, stated Coach Ron Sanders.

Sanders coaches the heavyweight team and James Rice and Ken Schuetz, 6th grade teachers, coach the lightweights. The ponies have been led to victory by their captain and leading scorer, Mark Meier. On the same team, Dennis Aukerman has proved to be a tremendous dribbler and ball handler, while Ed Ganch adds to the team's rebounding and scoring strength.

The heavyweights, in their last four games, have shown outstanding defense as well as good ball control on offense. In the five games played this year, Deane Meier has averaged over 19 points per game. Teammates Roger Gadt, Dan Snodgrass, Randy Enders, Bob Fish, Bill Wolke and Jeff Andreson make the Eagles difficult to beat.

The schedule of remaining games this season is:

Vice-President Humphrey. The group was accompanied by Eugene Wagner and Lyle Zimmerman, instructors.

Prevent Tragedy With Safety

Telephone: 479-3521
A cheerful season approaches - a frantic time of shopping, decorating, traveling, partying and remembering. It is also a time of high accident hazards. Reluctantly we must remind you that more accidental deaths usually occur in December

than in any other month of the year. Chief causes are fires and motor vehicle accidents. Prevent tragedy in your family this holiday season by following sensible precautions to avoid common hazards.

Your local fire department

suggests that all holiday lighting, both indoor and outdoor, be thoroughly checked before installation. Frayed wires and loose plugs should be replaced. Excessive power loads should be checked to prevent blown fuses and possible fires.

Lights on Christmas trees and decorations should not be left unattended, especially when infants are concerned.

Tissue paper and Christmas wrappings should be disposed of immediately after opening gifts to eliminate a possible fire hazard.

Remember, keep your Christmas merry --- not scary.

Starting this weekend, the members of the Burros mid-get football team will sell boxes of candy turtles. Proceeds to go to the teams expenses for the 1966 season.

Two transistor radios will be given to the two boys with the highest sales. Identified Burros t-shirts will be given to each boy who sells his quota.

Cadet James Ezell, who is a student in the Roosevelt Military Academy, Aledo, Ill., was cited for excellence at special ceremonies honoring award winners for the first quarter of the school year. Cadet Ezell is the son of Mr. and Mrs. Roy Ezell, 18737 Marjorie parkway.

Cadet Ezell was presented an award for excellence in conduct and concert band. He was also promoted to the rank of private. Ezell is a freshman at Roosevelt.

The regular December meeting of the Chamber of Commerce will be held at the VFW hall on Thursday, Dec. 16, and since this is the annual meeting, the election of new officers will be held.

Ervin Friant, chairman of the nominating committee, will present a slate of officers to manage the affairs of the chamber for 1966.

Chuck Swanberg, chairman of the Outstanding Citizen award committee, will announce plans for that event

which will take place in January.

Harold Cooper of Cooper-Hostert Ford agency, is a Will county Boy Scout calendar sponsor.

Thursday evening, December 16, at 8 o'clock, the Altar and Rosary Society of St. Mary's parish will celebrate its regular monthly meeting at a Christmas party in the all purpose room. Entertainment in keeping with the holy season has been planned and refreshments of a festive nature will be served. The following committee is in charge of preparing and serving the food: Bernice Rinke, Joan Bernicky, Miyde Yahnke, Betty Smith, Florence Anderson, Anita Harr, Lillian Boleman, Lucille Sheridan, Mary Lou Rouleau, Frances Sparks, Rita O'Connor, Verna Dana, Margaret

Armin Sr. and Joan Mc Namara.

On Sunday, Dec. 19, at the 9 o'clock Mass, the society will receive Holy Communion as a group. All the women

of the parish are cordially invited to participate in both the festivities of the Christmas party as well as the Spiritual side of the organization on Sunday.

Mokena Board Puts Bond Receipts Out At 3% Interest

The Mokena village board is to deposit the \$105,000 realized thru the sale of water bonds, in the Mokena State bank. The money is to draw 3% interest after 90 days, it was announced.

Other business transacted at a recent meeting of the village trustee included the appointment of Walter Welsch to the planning commission to replace Elias Brown, resigned. Mr. Brown's term would have ended Dec. 31, 1966.

Village Engineer Ralph Yunker presented a proposal to the board from Richard Kohl, Joliet, who would like to subdivide more land adjacent to Kohlwood Estates.

Since it lies within a mile and a half radius of the village it would come under the provisions of the village

ORDINANCE NO. 145 AN ORDINANCE RELATING TO THE COLLECTION AND DISPOSAL OF GARBAGE, REFUSE AND ASHES AND LEVYING TAXES TO FINANCE THE SAME.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF NEW LENOX, COUNTY OF WILL, AND THE STATE OF ILLINOIS:

WHEREAS, the President and Board of Trustees of the Village of New Lenox, did, by Ordinance No. 119 adopted on the 5th day of June, A.D. 1964, appropriate the sum of TEN THOUSAND DOLLARS (\$10,000.00) for the collection of and disposal of garbage, refuse and ashes in said municipality, and

WHEREAS, said President and Board of Trustees did, by Ordinance No. 122 adopted on the 7th day of August, A.D. 1964, levy the sum of FIVE THOUSAND DOLLARS (\$5,000.00) of said appropriated sum upon the full fair cash value as equalized or assessed by the Department of Revenue on all the taxable property in said municipality, and

WHEREAS, said appropriated sum, Sunday school Christmas program.

Friday, Dec. 24 at 11 p.m. Senior MYF sponsors the candlelight service.

Mr. and Mrs. Harry Miller are the proud grandparents of a son, born to Mr. and Mrs. Roger Corp of New Lenox. The baby was born Dec. 8 at Silver Cross hospital and weighed 6 1/2 lbs. He was named John Michael.

subdivision ordinance, which requires sewage treatment as well as sewers. According to the proposal Kohl would build a sewage treatment plant to serve the subdivision but have the village maintain and operate it. No action was taken at the time by the board.

Trustee Roy Richardson suggested to the board the building code in force at Tinley Park would be a good one for Mokena to copy. The board will study the provisions of this code.

priation and levy as aforesaid generated a ratelimitation on January 1, 1965, for garbage fund purposes for said Village, less than .10 per cent of the full fair cash value as equalized or assessed by the Department of Revenue on all the taxable property in said municipality, and

WHEREAS, by the provisions of Paragraph 11-19-1 et. seq., Chapter 24, (Cities and Villages Act) Illinois Revised Statutes (1965) this municipality is permitted to increase said tax rate limitation by an amount not to exceed .04 per cent of the full fair cash value of the taxable property in said municipality.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS, as follows:

1. That the sum of TWO THOUSAND FIVE HUNDRED DOLLARS (\$2,500.00) of the previous sum of TEN THOUSAND DOLLARS (\$10,000.00) appropriated for the collection and disposal of garbage, refuse and ashes for the Village of New Lenox, Will County, Illinois, be, and the same is hereby levied on the full fair cash value as equalized or assessed by the Department of Revenue on all the taxable property in the Village of New Lenox, Will County, Illinois.

2. That the additional sum hereinbefore levied be in addition to and supplemental to any other levy heretofore made for such purposes.

3. That the Village Clerk be, and he is herewith directed to file with the County Clerk of Will County, Illinois, the Township Assessor of New Lenox Township, the supervisor of Assessments of Will County, Illinois, and the Department of Revenue for the State of Illinois, certified copies of this Ordinance upon its adoption and passage according to law.

This Ordinance shall take effect upon its passage, approval, publication and recording according to law.

ADOPTED this 8th day of December, A.D. 1965.

Santa To Appear At Marley Church

VIRGINIA SASS

Telephone: 485-6424

The traditional Christmas Eve program will be held in the Marley church, beginning at 7:30 o'clock. Included in the program will be a play by the BYF and songs and recitations by the children of the Sunday school. Santa Claus is scheduled to make his usual appearance. Everyone is invited. On Christmas day there will be the celebration of Holy Communion in the morning.

A group of twenty-six people from the Marley church attended the children's play, "The Wind in the Willows" at the Goodman theatre in Chicago on Dec. 4.

The Twelve Trumps met at the home of Mrs. Royal Corp Tuesday night for their annual Christmas party. Prizes were awarded to Mrs. Charles Ingram, Mrs. William Dudlick and Mrs. John Riley. The hostess, assisted by her daughter Connie, served refreshments buffet style from a festive table appointed in Christmas motifs.

The Marley Woman's club met at Jardine's restaurant at Tinley Park on Dec. 9 for a Christmas dinner party. The banquet room was festive with holiday decorations. Following the dinner, a Christmas program was presented under the direction of Mrs. John Riley. The president, Mrs. Royal Corp, announced that the January meeting will be an all day sewing session at the Silver Cross hospital. Mrs. Loren Sass reported that gifts have been purchased and are wrapped and ready to deliver to the patients at the Will County sanatorium.

Some Tips On Starting Cars In Cold Weather

The arrival of winter
weather means that many
motorists again will be faced
with car-starting problems.

The Chicago Motor Club
points out, however, that
many of these starting prob-
lems can be eliminated if
motorists take the time to
thoroly condition their cars
for the rigors of cold weath-
er driving. The motor club
offers the following winter
starting suggestions:

--Don't grind your start-
er. Most motorists are un-
aware that continuous use
of the starter for periods
exceeding 30 to 45 seconds
is detrimental to the bat-
tery. The best starting pro-
cedure is to make repeated
attempts, allowing for 30 to
60 second rest periods for
the battery between tries.

Christmas program will be
held Sunday, Dec. 19 at 10:45
a.m., with music by the
church choir; and the Christ-
mas message, on Sunday
evening at 7:30 p.m.

At Trinity Lutheran
church, on Dec. 21 and 22,
the childrens service will
be held at 7:30 p.m. with the
childrens part in the Christ-
mas story and the singing of
carols.

On Christmas Eve, Dec.
24, there will be an 11 o'clock
candlelight service.

On New Years Eve, Dec.
31, there will be a service
at 8 p.m. Regular services
will be held on Sunday, Dec.
26 and January 2.

After the car does start,
warm up the motor by let-
ting it idle for several min-
utes. Never race a cold
motor.

--Avoid constant pumping
of the accelerator when the
starter is engaged. This
only results in flooding the
engine, causing difficult
starting and heavy battery
strain. If the engine is
flooded, always wait sever-
al minutes before attempting
to start your car again.

--To keep your gas line
from freezing, add eight
ounces of grain alcohol or
approved commercial equi-
valent to every other full
tank of gasoline.

--When starting in traffic,
put the car in neutral and
step on the accelerator to
keep your battery from dis-
charging. This is particu-
larly important during win-
ter months because much of
a motorist's driving is done
with lights, windshield wip-
ers, defroster, radio and
heater functioning simulta-
neously -- all combining to
put a severe strain on the
car battery.

Forest Preserve To Buy Orland Acreage

(CNS) - The Cook county forest preserves will gain an additional 25 acres of land in Orland township upon completion of purchase agreements with owners.

Arthur L. Janura, superintendent for the district, last week was authorized by the commissioners to purchase the sites, and owners had indicated their willingness to sell.

Livestock Producers Will Meet

A panel of Will county beef feeders will be featured at the Extension meeting on Dec. 21. These local producers will give an illustrated presentation of their operations.

University of Illinois livestock specialist, Terry Greathouse, and Portland Cement engineer, Claude Kincaid, will also be on the program. They too have statewide illustrations of various feeding operations and management practices.

The Will county panel will consist of Frank Koren of Manhattan. His layout features three concrete silos and a feed conveyor for haylage and silage. Norman Christiansen of Peotone has a glass lined and a concrete silo and features cornlage. Gerald Borchardt of Peotone has a glass lined and concrete silo. He uses haylage, corn silage and wet shelled corn.

Mr. Kincaid has traveled the entire state helping install concrete silos, concrete slats for cattle and hogs and concrete feeding floors.

This meeting is planned by the Will County Agricultural Extension Council and is open to the public.

The meeting is at 10 a.m. on Tuesday, Dec. 21 in the Will County Farm Bureau conference room.

October Milk Price Up Over Last Year

Aided by a 12 percent drop in production below October a year ago the October blend price to be paid Chicago market producers on all their milk deliveries will be \$3.91 per cwt., according to W. H. Cope, director of marketing for Pure Milk Association.

This is 2 cents per cwt. higher than the average price, including a uniform superpool premium, paid for October 1964 milk delivered to the Chicago market. It is also 2 cents higher than the September 1965 order blend price.

The October price of \$3.91 per cwt. is for milk of 3.5 percent butterfat test delivered to plants in the marketing area. The differential for each one-tenth of one percent butterfat above or below 3.5 percent is 7.5 cents per cwt.

Class I utilization in October of this year amounted to 55 per cent of producer milk. Since the amended Chicago order became effective on April 1, Class I utilization has been as follows: April 38%, May 36%, June 37%, July 43%, August 46% and September 58%. A continued high level of sales through October can be attributed largely to continuing demand from out-of-market buyers who have drawn heavily on the Chicago reserve supply since mid August.

The 10 acres on the south side of 171st st., east of 104th ave., owned by Ada Cummins.

The five acres on the south side of 171st and east of 104th ave., owned by Roy and Roberta Walker.

The 4.87 acres on the east side of 104th av., just south of 171st, owned by William and Rose Bebarski.

The 4.87 acres on the east side of 104th av., just south of 171st, owned by Margaret Gorman.

The .84 acres on the south side of 175th st., west of 96th av., owned by Wilbur and Marian Lang.

Still Time To Enter Yuletide Lights Contest

There is still time for New Lenox residents to enter the annual Christmas home lighting contest sponsored by the Association of Commerce.

Entry blanks must be submitted bearing the name and address of the entrant. Blanks may be obtained at Schroeder's service station, Hutchins cleaners or the Frick insurance agency. To be eligible the letters containing the entry blanks must be postmarked not later than Dec. 23.

The homes entered must be within the area bordered by Gouger rd. on the west, N. Cooper and Roberts roads on the east, Illinois highway on the south and Francis rd. on the north.

First prize will be \$25, second, \$15, third, \$10 and fourth prize is \$5.

Social Security People Tell All On Invitation

(Editor's Note: Social Security officials outline ways to acquaint communities with workings of the new laws covering pensions and medicare. The administrators are willing to "ride circuit", so to speak, to disseminate the information they figure the people should have.)

Q. What is the best way for me to find out how the new changes in social security will affect me?

A. You can have a Social Security Day in your community. Already arrangements have been made for such a day in four towns. They are at Peotone, Crete, Wilmington and Coal City.

Q. What is necessary to have a Social Security Day in my Community?

A. It is suggested that you ask officials of the Chamber of Commerce, or a civic or veterans organization to sponsor a Social Security Day. All they need to do is to arrange for space for "office hours" for representatives to see people about their individual questions, and for a social security representative to speak to their organization or sponsor a public meeting in the evening.

Q. What information and service will social security provide?

A. You will get the same service-possibly even better-as you would if you came to the Joliet District Office.

Q. Will there be any information about the new medical insurance program?

A. Yes. Full information will be provided, as well as enrollment forms for those over 65 who have not applied for social security. Hospital and medical insurance is available to nearly everyone over 65 even though they do not qualify for social security benefits.

Q. What about the people who are receiving benefits? Do they have to take any action to get the increase in benefits or to register for "medicare"?

A. No. The increase in benefits is automatic. The back payment for January through August will come in the middle of September. Those receiving benefits will get full information in the mail about the hospital and medical insurance some time during the months of September through December.

Q. Are there any particular people you want to see on Social Security Day?

A. Yes. The widows who are now 60 years old can now apply for the reduced benefits. And people who are 72 or older may get benefits if they ever worked a short time under social security.

COMPLETES COURSE Marine 2nd Lt. Ronald G. Risner, son of Mr. and Mrs. A. J. Risner of 8320 Paloma Drive, Orland Park, has completed the six-month officers basic course at Marine Corps schools, Quantico, Va.

The course, for newly-commissioned Marine officers and officers from Allied countries, consists of classroom training in personnel administration, first aid, map reading, weapons and leadership techniques.

Reminds Those Over 65 Of Medical Insurance

By now, all elderly social security or railroad retirement beneficiaries in Will county should have received their kits and the enclosed application for the supplementary medical insurance part of medicare, Harold Whiteside, Social Security District Manager stated.

About 155 other older persons -- those not on the social security or railroad retirement benefits rolls -- have already been in touch with the social security district office in Joliet, he reported. But many others still need to take action to protect their medicare rights.

Eight out of ten aged persons will be reached through the mass mailing, he noted. About 1/3 of those who will not be reached this way are receiving old-age assistance payments and will hear directly from their local welfare agencies.

Another third are still working full time and will need to file social security applications. About one million will also have to get in touch with their local social security district office.

The enrollment period for those who will be 65 or over before the end of the year closes March 31, 1966, Whiteside pointed out.

The March 31 deadline is very important, Whiteside stressed. Everyone who is 65 or will be by January 1, 1966, must return the medical insurance enrollment card by that date -- whether received in the mail or picked up at a social security district office, if he wants full protection when the program goes into effect July 1, 1966.

For the housebound, the district office will make other arrangements if you will call the social security office.

The Social Security District Office is located at 225 N. Chicago St., Joliet. The phone number is 727-5101, extension 215.

hints for Homeowners

BY: RICHARD DELANO
Assistant Cook County Farm Adviser in Ornamental Horticulture and Floriculture

The holly and the ivy may have been the plant of Christmas in Merry England but in modern America it's the poinsettia.

This has been true since 1830 when Joel Poinsett introduced the plant from Mexico. Acting in the dual role of plant explorer and Ambassador to Mexico, Poinsett sent sample plants to several florists including Buists of Philadelphia. It was Buist who dubbed the plant the poinsettia and introduced the plant to our holiday trade.

For a long time it was a puzzle to horticulturists why this plant flowered only at Christmas. Now we know that the plant responds by flowering to the long nights of winter. In fact, the plant is so sensitive to light during the early stages of bloom that even flashlights, lanterns, or streetlights shining on a greenhouse can prevent blooming.

Some time ago it was noticed that in certain greenhouses poinsettias would not bloom along main aisles or near thermometers. It was found that night watchmen shining lights on the thermometers cast enough light to prevent bloom.

Since the first poinsettia was introduced many new varieties have been developed. There are reds such as Indianapolis, Barbara Ecke Supreme and Elizabeth Ecke. An outstanding new pink this year is Spring Pink. It was developed by Dr. Robert Stewart of the USDA at Beltsville, Maryland. Two white varieties are Ecke White and New Ecke White.

Perhaps the most important recent poinsettia introduction is red poinsettia, Paul Mikkelsen. It is outstanding for its long lasting qualities; with routine care it can last as long as Easter.

Last week 150 poinsettia growers from the area met to hear such experts as Jim Mikkelsen discuss how to handle this holiday plant. Included were such topics as how to handle the new long lasting Paul Mikkelsen poinsettia that he developed at his Ashtabula, Ohio greenhouse.

One of the most over-rated ideas about the poinsettia is their supposed toxicity. This is based on a report that someone became ill in the tropics many years ago from eating the leaves. It's a fact that they would make a poor salad, but certainly chewing an occasional leaf will cause no problem.

Scrawny plants were also discussed at the Cook County Extension Service Annual Poinsettia Day. It was explained by University of Illinois horticulturists how to regulate the height with growth retardants or growth limiting chemicals. Now it's possible to buy a poinsettia small enough to look well on a coffee table.

Care of the plant by the consumer starts at the flower shop. Make certain the plant is well wrapped and taken directly to a heated car. This will prevent chilling. Now give it plenty of water and plenty of light. Eliminate drafts by avoiding locations near doors. That's all there is to giving a poinsettia good care.
